Ron Wood called in regards to Romero. He stated that he talked to Romero's clinical psychologist, Dr. Allan Lewis and he strongly disagrees with probations recommendation for Romero to leave YDI because Romero has made remarkable progress there. Dr. Allan Lewis said he wants to write a report and come testify at the disposition hearing. Ron doesn't think he will be able to have the report done in a week and wants to file a Motion to Continue. He would like you to call him back ASAP and let him know what you think. 928-537-5799
